

## Ain't no sunshine

Ain't no sunshine when she's gone  
It's not warm when she's away  
Ain't no sunshine when she's gone  
And she's always gone too long  
Anytime she's goes away

Wonder this time where she's gone  
Wonder if she's gone to stay  
Ain't no sunshine when she's gone  
And this house just ain't no home  
Anytime she goes away

And I know, I know, I know, I know  
I know, I know, I know, I know, I know  
I know, I know, I know, I know, I know  
I know, I know, I know, I know, I know  
I know, I know, I know, I know, I know  
I know, I know (26!)  
Hey I oughta leave young thing alone  
But ain't no sunshine when she's gone, woh woh

Ain't no sunshine when she's gone  
Only darkness every day  
Ain't no sunshine when she's gone  
And this house just ain't no home  
Anytime she goes away  
Anytime she goes away  
Anytime she goes away  
Anytime she goes away

## All my loving

Close your eyes and I'll kiss you  
Tomorrow I'll miss you  
Remember I'll always be true  
And then while I'm away, I'll write home everyday  
And I'll send all my loving to you

I'll pretend that I'm kissing the lips I am missing  
And hope that my dreams will come true  
And then while I'm away, I'll write home everyday  
And I'll send all my loving to you

All my loving I will send to you  
All my loving  
Darling, I'll be true

Close your eyes and I'll kiss you  
Tomorrow I'll miss you  
Remember I'll always be true  
And then while I'm away, I'll write home everyday  
And I'll send all my loving to you

All my loving I will send to you  
All my loving  
Darling, I'll be true  
All my loving  
All my loving  
Ooh  
All my loving I will send to you

## Any major dude will tell you

I never seen you looking so bad, my funky one  
You tell me that your super fine mind has come undone  
Any major dude with half a heart surely will tell you, my friend  
Any minor world that breaks apart falls together again  
When the demon is at your door  
In the morning it won't be there no more  
Any major dude will tell you  
Any major dude will tell you

Have you ever seen a squonk's tears? Well, look at mine  
The people on the street have all seen better times  
Any major dude with half a heart surely will tell you, my friend  
Any minor world that breaks apart falls together again  
When the demon is at your door  
In the morning it won't be there no more  
Any major dude will tell you  
Any major dude will tell you

I can tell you all I know, the where to go, the what to do  
You can try to run but you can't hide from what's inside of you

Any major dude with half a heart surely will tell you, my friend  
Any minor world that breaks apart falls together again  
When the demon is at your door  
In the morning it won't be there no more  
Any major dude will tell you  
Any major dude will tell you  
Any major dude will tell you

## Bad Moon Rising

I see the bad moon a-rising

I see trouble on the way  
I see earthquakes and lightnin'  
I see bad times today

Don't go around tonight  
Well it's bound to take your life  
There's a bad moon on the rise

I hear hurricanes a-blowing  
I know the end is coming soon  
I fear rivers over flowing  
I hear the voice of rage and ruin  
Well don't go around tonight  
Well it's bound to take your life  
There's a bad moon on the rise, all right

Hope you got your things together  
Hope you are quite prepared to die  
Looks like we're in for nasty weather  
One eye is taken for an eye

Well don't go around tonight  
Well it's bound to take your life  
There's a bad moon on the rise  
Don't come around tonight  
Well it's bound to take your life  
There's a bad moon on the rise

## Dancing queen

Ooh - You can dance  
You can jive  
Having the time of your life  
Ooh, see that girl  
Watch that scene  
Digging the dancing queen

Friday night and the lights are low  
Looking out for a place to go  
Where they play the right music  
Getting in the swing  
You come to look for a king

Anybody could be that guy  
Night is young and the music's high  
With a bit of rock music  
Everything is fine  
You're in the mood for a dance

And when you get the chance

You are the dancing queen

Young and sweet, only seventeen

Dancing queen, feel the beat from the tambourine, oh yeah

You can dance

You can jive

Having the time of your life

Ooh, see that girl

Watch that scene

Digging the dancing queen

You're a teaser, you turn 'em on

Leave 'em burning and then you're gone

Looking out for another

Anyone will do

You're in the mood for a dance

And when you get the chance

You are the dancing queen

Young and sweet

Only seventeen

Dancing queen

Feel the beat from the tambourine, oh yeah

You can dance

You can jive

Having the time of your life

Ooh, see that girl

Watch that scene

Digging the dancing queen

Digging the dancing queen

## Dreadlock holiday

I was walkin' down the street

Concentratin' on truckin' right

I heard a dark voice beside of me

And I looked round in a state of fright

I saw four faces, one mad

A brother from the gutter

They looked me up and down a bit

And turned to each other

I say - I don't like cricket (Oh no!) - I love it

I don't like cricket (No no!) - I love it

Don't you walk through my words

You got to show some respect  
Don't you walk through my words  
'Cause you ain't heard me out yet

Well he looked down at my silver chain  
He said "I'll give you one dollar"  
I said you've got to be jokin' man  
It was a present from me mother  
He said "I like it, I want it  
I'll take it off your hands  
And you'll be sorry you crossed me  
You'd better understand that you're alone  
A long way from home

And I say - I don't like reggae (No no!) - I love it (Eh!)  
I don't like reggae (No!) - I love it (Eh!)  
Don't you cramp me style  
Don't you queer me pitch  
Don't you walk through my words  
'Cause you ain't heard me out yet

I hurried back to the swimming pool  
Sinkin' pina colada  
I heard a dark voice beside me say  
"Would you like something harder?"  
She said, "I've got it, you want it  
My harvest is the best  
And if you try it, you'll like it  
And wallow in a Dreadlock Holiday"

And I say: Don't like Jamaica (Oh no!) - I love her (Eh!)  
Don't like Jamaica (Oh no!) - I love her (Oh yeah!)

Don't you walk through her words  
You got to show some respect  
Don't you walk through her words  
'Cause you ain't heard her out yet  
I don't like cricket (Oh no!)  
I love it (Dreadlock Holiday)  
I don't like reggae (Oh no!)  
I love it (Dreadlock Holiday)  
Don't like Jamaica (Eh!)  
I love her (Dreadlock Holiday)

## Everybody's got to learn sometime

Change your heart, look around you  
Change your heart, it will astound you

I need your loving like the sunshine  
And everybody's gotta learn sometime

## Hallelujah

I've heard there was a secret chord  
That David played, and it pleased the Lord  
But you don't really care for music, do you?  
It goes like this, the fourth, the fifth  
The minor falls, the major lifts  
The baffled king composing Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Your faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty and the moonlight overthrew her  
She tied you to a kitchen chair  
She broke your throne, and she cut your hair  
And from your lips she drew the Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Well, maybe there's a God above  
As for me all I've ever learned from love  
Is how to shoot somebody who outdrew you  
But it's not a crime that you're hear tonight  
It's not some pilgrim who claims to have seen the Light  
No, it's a cold and it's a very broken Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

## I follow rivers

Oh I beg you, can I follow?  
Oh I ask you, why not always?  
Be the ocean, where I unravel  
Be my only, be the water where I'm wading  
You're my river running high  
Run deep, run wild

I, I follow, I follow you  
Deep sea baby, I follow you  
I, I follow, I follow you  
Dark doom honey, I follow you

He a message, I'm the runner  
He the rebel, I'm the daughter waiting for you  
You're my river running high  
Run deep, run wild

I, I follow, I follow you  
Deep sea baby, I follow you  
I, I follow, I follow you  
Dark doom honey, I follow you

You're my river running high  
Run deep, run wild

I, I follow, I follow you  
Deep sea baby, I follow you  
I, I follow, I follow you  
Dark doom honey, I follow you  
I, I follow, I follow you  
Deep sea baby, I follow you  
I, I follow, I follow you  
Dark doom honey, I follow you

## Here comes the sun

Here comes the sun do, do, do  
Here comes the sun  
And I say it's all right

Little darling, it's been a long cold lonely winter  
Little darling, it seems like years since it's been here  
Here comes the sun do, do, do  
Here comes the sun  
And I say it's all right

Little darling, the smiles returning to the faces  
Little darling, it feels like years since it's been here  
Here comes the sun do, do, do  
Here comes the sun  
And I say it's all right

Sun sun sun - here it comes

Little darling, I feel that ice is slowly melting  
Little darling, it seems like years since it's been clear  
Here comes the sun do, do, do  
Here comes the sun  
And I say it's all right

Here comes the sun do, do, do  
Here comes the sun  
And I say it's all right

## Is dit alles?

Ga zitten want ik wil eens met je praten  
Ik ben allang niet meer zo blij als toen  
Nee schrik maar niet, ik wil je niet verlaten, nee  
Er is iets en ik kan er niks aan doen

We komen niets te kort, we hebben alles  
Een kind, een huis, een auto en elkaar  
Maar weet je lieve schat wat het geval is, ah  
Ik zoek iets meer, ik weet alleen niet waar

Is dit alles?  
Is dit alles?  
Mmm, Is dit alles wat er is  
Is dit alles?  
Is dit alles?  
Is dit alles wat er is, yeah

We zijn nu net een stuk in 13 delen  
Aan het einde zijn we allemaal de klos  
En leven trouw het leven van zovelen  
Ik wil iets meer, ik wil een beetje los

Is dit alles?  
Is dit alles?  
oh, Is dit alles wat er is  
Mmm, Is dit alles?  
Is dit alles?  
Is dit alles wat er is  
Mmm, Is dit alles?  
Is dit alles?  
Mmm, Is dit alles wat er is

## Mother mother

Mother mother how's the family?  
I'm just calling to say hello  
How's the weather? How's my father?  
Am I lonely? Heavens no

Mother mother are ya listening?  
Just a phone call to ease your mind  
Life is perfect never better

Distance making the heart grow fond

When you sent me off to see the world  
Were you scared that I might get hurt?  
Would I try a little tobacco  
Would I keep on hiking up my skirt?

I'm hungry, I'm dirty  
I'm losing my mind  
Everything's fine!  
I'm freezing, I'm starving  
I'm bleeding to death  
Everything's fine!

Yeah I'm working making money  
I'm just starting to build a name  
I can feel it around the corner  
I could make it any day

Mother mother can you hear me  
Sure I'm sober sure I'm sane  
Life is perfect never better  
Still your daughter still the same

If I tell you what you want to hear  
Will it help you to sleep well at night?  
Are you sure that I'm your perfect dear  
Now just cuddle up and sleep tight

I'm hungry, I'm dirty  
I'm losing my mind  
Everything's fine!  
I'm freezing, I'm starving  
I'm bleeding to death  
Everything's fine!  
I miss you  
I love you

## These boots are made for walking

You keep sayin' you've got somethin' for me  
Somethin' you call love but confess  
You've been a'messin' where you shouldn't 've been a'messin'  
And now someone else is getting all your best

These boots are made for walkin'  
And that's just what they'll do  
One of these days these boots are gonna walk all over you

You keep lyin' when you oughta be truthin'  
And you keep losing when you oughta not bet  
You keep samin' when you oughta be a'changin'  
Now what's right is right but you ain't been right yet

These boots are made for walkin'  
And that's just what they'll do  
One of these days these boots are gonna walk all over you

You keep playin' where you shouldn't be playin'  
And you keep thinkin' that you'll never get burnt (ha)  
I just found me a brand new box of matches, yeah  
And what he knows you ain't had time to learn

These boots are made for walkin'  
And that's just what they'll do  
One of these days these boots are gonna walk all over you  
Are you ready, boots? Start walkin'

## Venus

A Goddess on a mountain top  
Was burning like a silver flame  
The summit of beauty and love  
And Venus was her name

She's got it  
Yeah, baby, she's got it  
Well, I'm your Venus  
I'm your fire, what's your desire  
Well, I'm your Venus  
I'm your fire, your desire

Her weapons were her crystal eyes  
Making every man mad  
Black as the dark night she was  
Got what no-one else had - Wow!

She's got it  
Yeah, baby, she's got it  
Well, I'm your Venus,  
I'm your fire, your desire

Well, I'm your Venus,  
I'm your fire, your desire  
Ah-ah-ah-ah-ah-ah-ah!  
Ah-ah-ah-ah-ah-ah-ah!

She's got it  
Yeah, baby, she's got it  
Well, I'm your Venus,  
I'm your fire, your desire  
Well, I'm your Venus,  
I'm your fire, your desire
